

#### 4.2 New planning applications

SD reported via e-mail that there were no new planning applications brought forward to the meeting, other than a side extension in Vindomis Close which it was felt did not require discussion. DD clarified that the recent Hedgehog Cottage application (ref. January Meeting minutes 13.0 and February Minutes 4.2) had been denied by the EHDC Highways Officer purely on grounds of parking.

## 9.0 Friends of the Pond

NC reported that the basic premise is that anything that can be done free of charge by volunteers will be done, and anything that needs professional involvement will be deferred for the time being. Virtually all the work done on the pond has been cost-free thus far.

A £500 grant has been secured from Alton Town Council, which is earmarked for the rebuilding of the island, but this is conditional on the resolution of the ownership of the pond. ATC are taking steps to determine this. There is a Friends of the Pond meeting on 15<sup>th</sup> March.
